## **PET Clear Cold Drink Cups & Lids**

Our very popular clear plastic drinking cups are now being produced using environmentally preferable food grade PET material! With unmatched clarity and excellent durability our clear disposable beverage cups are great for holding cold drinks, parfaits, salad shakers along with cut vegetables, fruit and so much more. These single-use plastic cups are 100% recyclable. We offer clear flat or dome lids that fit the four standard cup rim dimensions available. Yet the rims are designed with a smooth lip, so customers can safely drink straight from the cup.

Manufactured with environmentally preferable food grade material.

Great for holding cold drinks, parfaits, salad shakers along with cut vegetables and fruit!
